

I request that the FCC not implement any proposal that would lessen Indiana's Telephone Privacy law protections.

Family time is very important to us and we do not need phone intrusions during our quiet and devotional times.

Sunday after church is nap time and we DO NOT like inconsiderate sales calls interrupting!

We use to get about 8 to 16 calls a week and we have been SO BLESSED to have gotten all of them to STOP!!

Family time and its' closeness is very important to us. Is it important to you?? Do you like the constant intrusions into your home?

Please do NOT preempt Indiana's Telephone Privacy law.

Thanks,
